

Our Guiding Principal:

To provide healthcare as we expect for our own family.

Our Mission:

McLaren Health Care will be the best value in health care as defined by quality outcomes and cost.

Our Vision:

McLaren will be the recognized leader and preferred provider of health care services to the communities we serve.

Our Values: SERVE

Safety... of our patients and staff

Excellence... in all that we do

Respect... for everyone all the time

Value... in all that we offer

Enthusiasm... as our way of life
